### ***Be Water Smart Dirtiest Car Contest***

## **Show Off Your Dirty Car for a Chance to Win a Summer of Free Carwashes**

Do you have the dirtiest car around? Share a photo of your dirty car at its worst, and you could win a summer of free carwashes from a Be Water Smart-certified carwash, compliments of the Regional Water Authority (RWA) and local water providers.

“This is a fun way to remind everyone that it’s still important to use water wisely, even if the drought emergency is over,” said Water Efficiency Program Manager Amy Talbot. “Using a Be Water Smart-certified carwash is an easy way to work water efficiency into your lifestyle.”

Be Water Smart-certified carwashes have made a commitment to using water efficiently. They use high-pressure, low-volume flow nozzles that precisely control the amount of water and also recycle their water on-site and reuse it multiple times before treatment.

2-2-2-2

Residents are invited to enter the Dirtiest Car Contest online at <http://tinyurl.com/BWScar> by submitting a photo of their filthy car, dirty truck or muddy SUV. Or, they can visit one of the carwashes below on Saturday June 18 or 25 to be entered to win. The prize—a summer of free carwashes at a Be Water Smart-certified car wash—will be awarded to the photo with the most online votes by July 22, 2016.
